## A Day at the Farm

On Tuesday, we spent the day at the Karges farm. We began the day by visiting the baby kittens and the baby miniature pony. Then a couple of students and Mrs. Wright helped Boen get some beautiful, fresh, farm produce chopped up and cooking for our lunch. In the meanwhile, the vet arrived and he began performing ultra-

sound on the mama cows to see if they were expecting a new baby, how many days along they were, and if the baby was a bull or a heifer. What amazing technology! The students each got to take a turn watching the ultrasound image on the screen. From that activity we went on help in the garden. First we dug red potatoes, then russets, then Yukon Golds and more reds. By that time, we had all worked up a powerful appetite, so we headed to the homey farmhouse kitchen to partake of the offerings there. It was finished off with a luscious, fresh-baked pumpkin (er...squash) bar. After lunch it was back to another potato patch. Hazy and Mrs. Karges shared a horse-

training demonstration, and then each student had the opportunity to ride Oatmeal, the pony, or Toby, the horse. We praise the Lord for the sunshine and relatively warm temperatures so we could enjoy this fun day on the farm. Thank you to the Kargeses for hosting us.

## Parent-Teacher Conferences

It's already the end of the first quarter of the 2018-19 school year. Time has a way of racing by on swift feet! Parent-teacher conferences begin at 12:30 pm on Tuesday, October 30. School dismisses at noon so please make sure your child is picked up promptly as we have no way to supervise them once we begin conferences. Please contact your child's teacher to schedule a 15-minute time slot for that afternoon.

## Open House

IHAS invites all of our church and school family to an open house on Saturday evening, October 20, beginning at 5:30 pm. We will close the Sabbath together with vespers. Then we encourage you to visit the classrooms and let the students and teachers show you around. Also, our librarian would like to take this opportunity to introduce you to our online library system. For supper, the theme is "Make-Your-Best-Chili." You may also bring something to enjoy along side (or instead of chili): cornbread, Fritos, salad, crackers, fresh veggies, pumpkin bread, apple crisp, apple cider, etc. There will be a basket available for a free-will offering to support the sister school of the Mid-American Union on the island of Chuuk in Micronesia. We hope to see you there!
