Space Talk

The students and staff enjoyed the wealth of information, photos, video clips, and even some to-scale models that Mr. Arlin Veitz shared when he visited IHAS on Monday. Arlin has a passion for NASA and the space program, and he was kind enough to spend a good chunk of his afternoon telling about many high points of U.S. space history. He also gave each student a small model to assemble of a shuttle. Thank you, Mr. Veitz!

Ready...Set...Mush! (on Monday)

Coming up beginning February 1: This reading program is inspired by "The Last Great Race" (a.k.a. the Iditarod) that takes place each March in Alaska.

The students will bring home an I-did-a-read Reading "Trail" Log on February 1. Students should keep track of their reading minutes in this Trail Log. Each minute read is equal to one mile in the race (or 2 miles for K-2). Each box is worth **10** minutes (**5** minutes for K-2nd graders). Your parent must initial each box to verify that you read for the designated time. Bring your Trail Log to your teacher each day and she will help you to move your sled dog along the trail! All reading for the I-did-a-read is reading aside from assigned school work. The "trail" is just under 1000 miles. If you read for about 45 minutes each day (20-25 minutes for K-2nd grades), you'll reach Nome in time. Everyone who reaches Nome by February 28 will be invited to participate in the IHAS Red Lantern Celebration which will be a skating party at West

 Sin is opening the door and letting
 him in."

 A: It caused a revolution.
