Happy Heart Banquet

It was a fun gathering at the church/school last Sunday as we enjoyed food and games together as a church and school family. Willie Hale and Kolter Karges did

a great job of planning and cooking a brunch-type menu of French toast made from homemade bread, oat waffles, fried potatoes, and scrambled tofu. Danell and Uyen sweetened the deal with a fresh strawberry torte and chocolate chip cookies. Mmm! The only

complaint was that there was too much food! Following the meal, we played Pit, Uno, Rummikub, Dominos, Apples to Apples, Takaradi, Jenga, and good old Capture the Flag.

Thank you so much to everyone who donated items for the banquet, to those who came early to cook and set up, to those who came and participated, and to those who stuck around to clean up.

Point to Ponder

Red Lantern Party

82% of the students completed the Iditaroad challenge and got to ice skating on Tuesday afternoon. Even though the reading challenge is over, let's not stop reading though! The best thing to do to increase reading skills such as fluency and comprehension as well as learning new vocabulary and knowledge is by regular reading.
