Christmas Program

This issue is mostly a photo album of the Christmas program—the one for church last Sabbath and then the same program which we took down the hill to St. Ben's home on Wednesday. It brought us great joy to see the joy on the residents' faces. Following the program, we visited several ladies in the assisted living area of St. Ben's. One lady told us it made her heart so glad to see children being taught about God.

Thank You

The students and staff of IHAS would like to take this opportunity to thank you, our church family, for supporting our school. The school requires a huge chunk of the church's monthly budget as well as another chunk of freewill offerings directed specifically to the school, *and* hundreds of dollars monthly in worthy student support. We pray that God will continue to bless you as you continue to bless the children of this community.
