- Wed., May 22— Last day of school

**Francisco Javier**

Monthly Pledge: \$30  
Offerings this week: \$14.06  
Offerings April: \$29.40

## Living History Museum

Thank you to all who came out to view our living museum exhibits. It was evident that the students put a lot of time and effort into learning about these people from history. Thank you also to those who brought yummy food for the lunch.

## Mushrooms!

Grandma Laura came in to visit the staff and students on Wednesday.

She has stopped toured a place in Utah called Mountainview Mushrooms that grows mushrooms, so she came to teach us what she learned about tasty fungi. She shared a video and some neat information. For lunch she prepared some portobella burgers and fresh mushroom soup for everyone to try. The cherry on top, however, was the homemade ice cream. Not everyone liked the burgers and soup, but everyone liked the ice cream! And what a surprise to discover that it

wasn't actually maple nut (that's what it tasted like!) but rather that the flavor came from a mushroom called "candy caps" that tastes like maple. What a neat thing to share. Thank you, Grandma Laura!

## Upcoming Field Trips

On Tuesday, May 14, the upper grades class will go to the Glendive Dinosaur and Fossil Museum (in Glendive, MT) and Prairie Fire Pottery (in Beach, ND). This one will be an all-day outing, so please bring a sack lunch and water enough for the day. Also, the cost for this outing is dependent on the size of our group. It will cost \$5 to \$6.25 per person for the museum—please bring the higher amount and we will send any change left over back home. The pottery tour is free. If your child wishes to bring extra money along in case there is a shopping opportunity, that is up to you!

- The burgundy school shirts should be worn for these outings.

## Amen Pantry

Please continue to remember their needs as you shop at the grocery store! We will make a delivery this summer.

## Merry Mondays & Twinkie Wednesday

We are nearing the end of another school year already. The students suggested that it would be fun to have some out-of-the-ordinary days, so here is what we planned:

Wednesday, May 15—Twinkie Day: get together with a friend or two and dress like twins or triplets.

Monday, May 20—Backward Day

## School Picnic & Baseball Game

Following the constituency meeting on May 19, we will have our 3rd annual school picnic and softball game. Hopefully the weather will be beautiful like last year. If you have mitts or bats, please bring them. If you have other outdoor games you like, bring those too. For the picnic, please bring food to share. We plan to begin eating between noon-1. We will meet at Gress Softball Complex (by the dog park), where we picnicked last year. It is located at 455 8th Ave E.

## Update on Francisco Javier

We received an update letter from Javier this week. Here are some highlights:

“Javier is maintaining good behavior. He is responsible about carrying out his duties at home. He arranges his room and washes his clothes and he accepts correction without complaining. Javier is a quiet, helpful, and very cooperative young man.

He likes to be asked to help and never refuses to do a favor. His health has been very good. The doctor said the needs to take vitamins. Javier continues working in the chicken coop where he has learned the trade well and where he is of great help to the manager. Javier likes to study, but his retention is very short and that hinders his academic progress. He has not been reading as much as he should which

seems to have also affected his writing. Although he is quite shy about participating in public, he does so when he is asked. Javier loves Pathfinders. In his spare time Javier likes to play soccer, put together Legos and play cars or go to the river.”

## 8th Grade Graduation

Please join us as we celebrate this milestone with Autumn Hale and Kaitlyn Beachy. Following the program there will be a light lunch served. Graduation service begins at 6:30 pm on Tuesday, May 21. All students will be participating so they should plan on being there!

# HOT LUNCH

### Wednesday, May 15: Spaghetti & meatballs
