Let's Move! with a Mission

We had beautiful weather on the first day of fall for our biking outing. We would like to thank those who made pledges for the students who rode. \$300 was pledged as just a flat rate (not per mile). Two families pledged a total of \$2.50 for each mile ridden by every person (a total of 146.3 miles). And two more people made pledges for six specific students for a total of \$84 more. So if my calculations are correct, the total will be \$743.75 once all of the pledges are turned in to the church treasurer. Thanks, kids, for your efforts—some of you went all out! Thank you, sponsors, for putting more purpose behind each pedal pump. We love our church family!
