Educating for a Life of Service

Week of Prayer

Elder Gil Webb, the executive secretary for the Mid-America Union of Seventh-day Adventists, spent the week with us sharing about choosing Jesus—because He created us, because He died to save us, because He loves us, and because He has the power to raise us to life again and live with Him forever!

Can Collection

This week we went out into a few of the neighborhoods in our community. On Tuesday we delivered 300 empty CashWise bags (thank you to

this fine store for donating two boxes of bags!). To each bag was stapled a note asking people to fill the bag with nonperishable food items to take to Amen Food Pantry. Also stapled to each bag was an invitation to the upcoming evangelistic meetings. On Thursday came the especially fun part—we went out again to pick up the filled bags. It is heartwarming to see how willing many people are to help others.

Let's Move! with a Mission

If you made a pledge for Let's Move! Day, please remember to submit your gift by making a check out to Invitation Hill

Adventist Church (memo: Let's Move/ Temple Coins); or cash works too!

Labels & Other Ways to Get \$

There are a few ways you can help get funds for the school besides direct donations.

- 1) Sign up and shop at CashWise (see bulletin board for details)
- 2) Family Fare also has a plan in which you can save your receipts and get up to \$1000 for our school. I'm checking into that.
- 3) Save your Loma Linda and Atlantic Foods barcodes (we only need the bar code—not the whole label). We get \$.25/label—not bad!
- 4) Boxtops for Education: please cut out the symbol on participating products →

No More Typing Pal :-)

Due to administrative error, we missed the cutoff to subscribe to Typing Pal this fall. Another online typing program is available for the students to use. To log on at home, go to invitation-hill.typingclub.com. Each student has his/her own username and password. Contact me if they have trouble logging in at home.
