Educating for a Life of Service

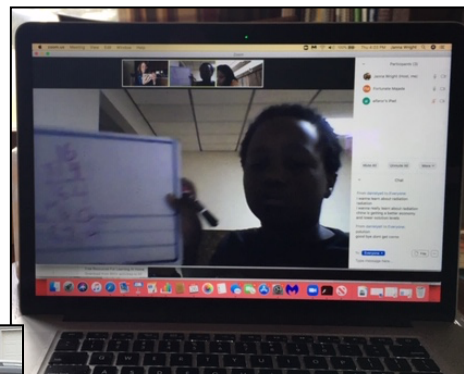

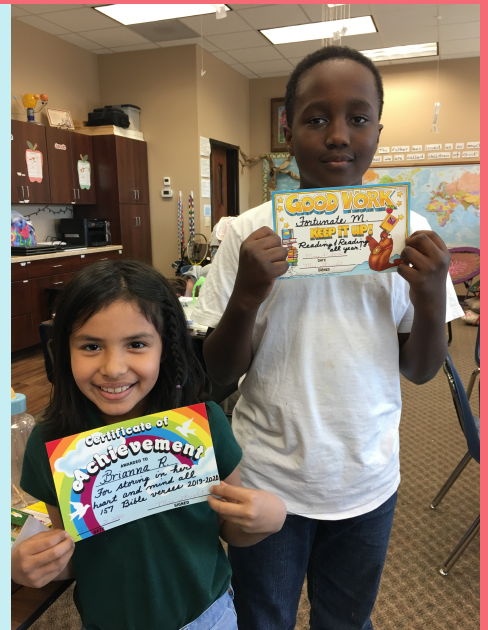

A Very Unexpected Third Quarter

It's amazing how life can take such quick, unexpected turns. When the last newsletter came out before spring break, we had no idea that that would be the end of the school year in the way in which was normal to us. Our new normal beginning the end of March was school over Zoom meetings from our homes. There were numerous challenges and the students and staff missed being together in person a great deal. But by the grace of God, we survived it and continued to grow all the way to the end of the term. We know that this was really a small challenge compared to what lies down the road. We don't know for sure what this fall or all of next school year will look like, but we know the One who holds the future in His hands. He sustained us through this strange fourth quarter, and He will sustain us through to the end if we choose to remain in His hands. The pictures highlight a few memories from our virtual fourth quarter.

Two upper grade students were recognized for their outstanding achievement this year:

Brianna Ratliff memorized all 159 Bible verses this year.

Fortunate Majada consistently met the reading goal of 150 minutes each week for a total of over 5,000 minutes for the year—and he has the improved reading and comprehension skills to prove it! Well done, and keep up the good work!

Upcoming Events

- Monday, August 17
First day of school

FRANCISCO JAVIER
MONTHLY GOAL: \$30

Received this week:

\$22

Received so far for

August: \$30

September \$3.10

Thank you!

Thank You Sponsors, Donors, and Prayers

God has used many of you to do a work for his children this school year.

Operating a school is a gigantic financial undertaking, and some of you have taken up that

burden and month after month have supported this very important evangelistic work in our community. We say thank you to all who have given generously and sacrificially to make our school possible.

At the beginning of this school year, many of you committed to praying for an individual student. Thank you for your prayers. The battle for souls is very real, and we ask that you continue to pray for your selected student(s) throughout the summer—for their continued spiritual growth, for worthwhile and fulfilling activities to be involved with this summer, and for their return to IHAS in the fall.

We also ask that you would continue to lift up our school in prayer, that we would be able to be a greater light in the community and reach more students. If you know of any students that you believe would benefit from the Christian education and environment offered here, please invite them to check us out.

The last day of school was a special treat as we were able to be back together again. We had been apart for almost the equivalent of a summer vacation, so it almost felt like the first day of school.

Thank you, God, for keeping us safe and providing for our needs every day. We pray that we can ALL be together again in the fall, but more importantly, ALL together one day soon in Your kingdom. Amen

The students get a preview of the Yearbook

TO PREREGISTER FOR NEXT SCHOOL YEAR, CONTACT MRS. WRIGHT FOR AN APPLICATION.

For those who register by June 15, there is a reduced registration fee (if all previous year's fees are paid).
