Let's Move! Day

This year we are hoping to take this annual event to Patterson Lake where there is a very nice trail well off the beaten track. At this location, we feel it would be safe for the K-2 class to go as well since there won't be busy driveways to cross like there were at the Rec Center trail we have used in the past. Once again, we plan to adopt a mission project and have the students gather sponsors who will support them per mile that they ride or walk. We invite parents, grandparents, and church family to join us as well. The date is Monday, September 14. Please plan to have your child's bike **and helmet** at the school that morning. Following the ride, we will go to YUM Froyo, so each child will need \$6.50 for his/her cup of ice cream.

Mom is my hero because she fed me

and made me me.

I am pleased that I have learned to climb walls in doorways.

I think the 3 Angels Message angels are interesting persons from history.

If I could choose a name for myself, it'd be Philip.

I think 105 is the best age to be because I want to be famous.

In the future, I'd like to be a normal person.

I am afraid of dying, but using an iPad makes me happy.

When someone teaches me something new it makes me feel loved.

I like to give away stuff that I don't

like. Cars are my favorite way to

travel. If I get to spend all day

outside, I like to play with a hose.

It bugs me when I plan to read thirty

minutes and someone says I have to

read more. A language I wish I could

speak is African. If I were a teacher,

I'd teach my students art. When I

grow up, I can't wait to be in the army.

If I were a parent, these would be my

top three rules: 1) don't overheat

your iPad, 2) don't use your iPad like

crazy, 3) just use it for an hour, unless

you're a good kid then you can use it

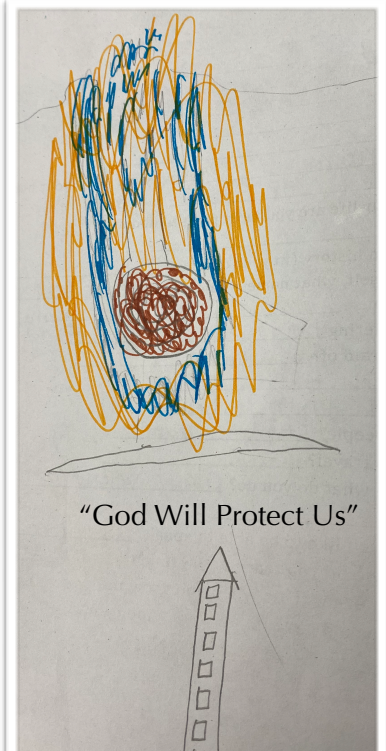

for three hours. 4) You can only use

your iPad on Sundays; 5) You can't

use your iPad when you're eating; 6)
